## **Hearing Happening Hoping:**

### **Lenten Reflections on the Word of God**

As well as the theme of repentance, the season of Lent is a reminder of our own Baptism and our own hunger to be rejuvenated in our faith. A great way of living Lent is to give some time to reflection and listening to God by spending time with the Word of God. Hearing Happening Hoping is a resource to help us to do this. It is a simple approach to reading the Word of God focused on the Lenten Sunday Gospels. It is written with a group in mind but can also be used individually by anyone interested in the Scripture. There is a page for each Sunday of Lent which is now available for download on the Diocesan Web Page, [www.killaloediocese.ie](http://www.killaloediocese.ie) The website also includes an explanatory page to help you get started. The Hearing Happening Hoping resource is ideal for reflection and prayer as we journey towards Easter.

As part of its work for temperance and sobriety, we have a Short-Term Pledge section for adults over the age of eighteen years. If you would like to take the pledge for the six weeks of Lent, you can go online and follow the links to join.
