Trócaire

Final call: It would be greatly appreciated if all Trócaire contributions could be returned this week as we need to forward cheque to the diocese.

The contents of each and every Trócaire Box, no matter how small, come together to make a significant difference. This virus knows no borders, but neither does our compassion. A huge thank to those who have already returned their Trocaire contribution.

“Let no one ever come to you without leaving better and happier.

Be the living expression of God's kindness: kindness in your face, kindness in your eyes, kindness in your smile.”

Mary's Meals Ireland

Present For My Teacher campaign on www.marysmeals.ie is where parents and guardians can buy an online gift for their children's teachers in exchange for a donation towards the work of Mary's Meals Ireland. It's really two presents in one – a beautiful e-card that kids can safely send to their teacher by email and the promise of daily school meals for children in some of the world's poorest communities. Donations of any amount are gratefully accepted; it costs just €18.30 to feed a child for an entire school year and at least 93% of all donations are spent on charitable activities. It's a simple idea that works. In schools where children receive Mary's Meals, enrolment goes up, fewer children skip lessons or drop out of school, students find it easier to concentrate in class and exam results improve.
