To The Holy Trinity

*Three folds in cloth, yet there is but the one cloth.
Three joints in a finger, yet there is but one finger.

Honouring St. Anthony of Padua

St Anthony provides spiritual focus to many Irish Catholics across the globe. To this day, St. Anthony is one of the Catholic Church's most revered and popular saints. One of the reasons for this is likely that his life was what every Christian's life is meant to be:

"A steady courage to face the ups and downs of life, the call to love and forgive, to be concerned for the needs of others, to love, trust and depend on God."

Called the "Wonder Worker" because of the many miracles with which God has favoured him, St. Anthony has traditionally been the refuge of all who have lost things, whether temporal or spiritual.

As the Traditional Novena cannot take place in any of our Friary Churches this year due to Covid-19 we are now hosting an online retreat to celebrate this much-loved saint in June

The online retreat can be accessed via a link on www.franciscansdublin.ie or on YouTube at Franciscans Dublin Adam & Eve and we welcome everybody from across Ireland, Europe and Internationally to join us from June 9th.

We welcome all who want to pray to St. Anthony to intercede on their behalf with God. Please join us beginning on the 9th June. For more information please visit our website; www.franciscansdublin.ie

St. Anthony, powerful in word and work, pray for us!
