## **Killimer Parish Webcam**

On Saturday our Webcam in St. Imy's Church will be "Live" on our Website. We feel it will be a good way for our community to connect at this time and into the future. Following on shortly we will also have a Webcam in St. Senan's Church. The Internet has never been more essential in all our lives as it is today. As with everything when used properly it has proven to be a source of great comfort to people. Our churches are to reopen for worship shortly, but with limited numbers and social distancing. We will do everything in our power to keep our parish united in faith. With everyone's help we will get through this crazy time and celebrate when we once more can come together without restrictions. May God and His Blessed Mother take care of us now and into the future. Be Parish.
