### **Thank You For Supporting Pope Francis' Covid-19 Emergency Fund**

On behalf of our Holy Father and the poorest and most vulnerable communities in our wider Church family, thank you for taking action and donating towards Pope Francis' COVID-19 Emergency Fund. Already, his life-giving Fund is making an impact in Africa, Asia and Latin America.

In dioceses in Pakistan, the majority of people live below the poverty line. The virus has forced many to isolate. Now lack of food is becoming the most urgent and fundamental need. The Fund is being used to help feed these hungry men, women, and children. In countries, like Sierra Leone and Chad, Health and Public Announcement systems are fragile. Here a problem is the lack of information about the virus; how it spreads and its consequences. In response, the Fund is allowing the Church to use local radio to inform parishes about the virus and the simple precautions needed to take.

Thank you for playing your part in making this happen. Your support and prayers for our overseas missionaries and the people they serve are always appreciated and greatly needed.

To donate go to [www.wmi.ie/covid-fund](http://www.wmi.ie/covid-fund), call Fiona on 01 497 2035, or lodge money directly:
