Face Masks

As the current crisis continues to be part of our community and church life, new guidance is becoming available to us daily. It has now become the common practice in many Dioceses that there would be a strong encouragement for people who attend Mass or other Liturgies in churches to wear face masks. The wearing of masks has now become such a feature of all our lives in shops, post offices and every public place that people are becoming used to them. So we strongly recommend and encourage people to bring masks or face shields with them to church and to wear them. It is a protection for oneself and for those we meet.

A Prayer as our Schools Reopen

Loving God, we ask you to wrap our diocesan school family in a cloak of love and protection as our schools reopen this year. ¶

Bless our boards of management and staff as they continue the good work that they have already begun to ensure a welcoming and safe environment for all. ¶

Bless our parents as they again entrust their children to us, confident we can all work together to help them become the very best that they can be. ¶

Above all, God of Love, we ask you to extend your hand of blessing on our pupils as they joyfully reunite with their friends and all in the school community. May they continue to progress in their studies and always know that they are safe, secure and protected in your loving embrace. ¶

We know much will seem very different this year, but, Gracious God, we are confident that through the intercession of our own Saints Patrick, Saint Brigid, Saint Flannan, Saint Senan, Saint Imy your love and care for each of us will never change.

May we show the same love and care for one another in all we do and say this year.
Amen. ¶
