Thank You

As you know the refurbishment of the tennis court is nearly complete. As stated this is an amenity for the whole community. We wish to thank Knockerra School Board of Management for their support for this project and also the contribution towards the cost of the ramp, fencing and repair work.

A Reflection. "If you must look back, do so forgivingly. If you must look forward, do so prayerfully. However, the wisest thing you can do is be present in the present, gratefully." -

Face Masks

As the current crisis continues to be part of our community and church life, new guidance is becoming available to us daily. It has now become the common practice in many Dioceses that there would be a strong encouragement for people who attend Mass or other Liturgies in churches to wear face masks. The wearing of masks has now become such a feature of all our lives in shops, post offices and every public place that people are becoming used to them. So we strongly recommend and encourage people to bring masks or face shields with them to church and to wear them. It is a protection for oneself and for those we meet.

The Alzheimer Society of Ireland

Fundraising Request

During World Alzheimer's month on Sunday, September 20th we are asking you to join us for our first virtual Alzheimer's Memory Walk event. This September was due to be our first Alzheimer's Memory Walk with events taking place across Ireland. But, in line with government restrictions and Covid19 precautions, we've launched our 2020 campaign as virtual walk event!

Going virtual will provide a wonderful opportunity for everyone to 'Walk Together', while staying apart, to help raise much needed funds for people living with dementia in their communities all across Ireland.

There are over 500,000 families affected by dementia in Ireland and we wanted to hold an event that was accessible to everyone, from granny and grandchildren to our four legged friends.

Our Alzheimer's Memory Walk is kindly supported by our partner Iceland Foods Ireland.

Get involved in this feel-good and uplifting occasion to mark World Alzheimer's Month and plan your very own (socially-distanced) Memory walk, solo, with your family or within your community. So, whether that is 5km, 10km or whatever distance you choose – On Sunday September 20th It's Your Walk, Your Way.

Walk in memory of a loved one or for someone living with dementia. This year more than ever we need your support to continue to provide vital dementia services running in communities all around the country.

Getting Involved is Easy!
Sign-up . <https://alzheimer.ie/get-involved/fundraising-events/alzheimer-memory-walk/> to get your Special Walk T-Shirt and your Walk Pack. Walk with us on Sunday, September 20th! Share why you are taking part in Alzheimer's Memory Walk and encourage your family and friends to sign-up and walk too

Mental Health

A discussion about guarding mental health during the COVID-19 pandemic.

The Community Outreach team at Rehab 4 Addiction serves as an online resource to individuals and families dealing with substance abuse

These resources were created to assist in increasing understanding and awareness of all aspects of coping with the stress of the lockdown and bereavement. With the current COVID-19 pandemic, many who live with depression are struggling to stay afloat during self or mandated isolation.

Our hope is that this informational guide can be one of many stepping stones for those struggling and their loved ones to better understand their situation and lead them to find a supportive and safe environment, especially during the pandemic.
