### **HELP US to HELP YOU**

We ask that when you attend Mass you would cooperate with the stewards. It is best practice to use the front seats first. This will avoid unnecessary contact with others.

We want to continue with Mass in the safest way possible. Thank You.

## **Face Masks**

As the current crisis continues to be part of our community and church life, new guidance is becoming available to us daily. It has now become the common practice in many Dioceses that there would be a strong encouragement for people who attend Mass or other Liturgies in churches to wear face masks. The wearing of masks has now become such a feature of all our lives in shops, post offices and every public place that people are becoming used to them. So we strongly recommend and encourage people to bring masks or face shields with them to church and to wear them. It is a protection for oneself and for those we meet.

**WORLD  
MISSION  
SUNDAY**  
**18<sup>th</sup> October  
2020**

This year World Mission Sunday is in real jeopardy as the pandemic means that fewer parishioners are attending Mass, with less offerings in the basket. The implications for overseas communities in the months ahead will be devastating. In many of our poorer parishes overseas, missionaries are working on the front line. These women and men already do so much, walking hand-in-hand with marginalised communities, long before and long after any emergency. The pandemic adds even more challenges for missionaries, many of whom are in war-torn countries, remote areas where political conflicts, violent protests, extreme poverty, malnutrition and diseases are rife. These are crises faced on a daily basis and, looking beyond COVID-19, sadly these crises will remain. Your on-going support of World Mission Sunday plays an enormous part in easing their suffering and I know it will continue to do so. This is an appeal to parishioners for their extra spiritual and financial support on this World Mission Sunday. Times are challenging, although we may suffer here in Ireland, let us spare a thought and a prayer for our brothers and sisters overseas who are struggling to survive in the face of much adversity. I thank you for your continued help at this time. Be assured of my prayers for your ministry and for those in your care. Michael O'Sullivan, World Missions Ireland, which is the Holy Father's official charity for overseas mission.
