Cúil Gaels

Congratulations to Amy Griffin (Captain), Moya Collins, Kyla Baumann and Steve McMinn (Mentor) and the U16 Cúil Gaels players and management who won the U16 D Cup final vs Fergus Rovers2. An excellent performance by both team that ended on a narrow margin of a goal. Hard luck to Cúil Gaels U12s and their management who lost out in the D Cup final against Liscannor. Both teams should be proud of their performance. Wishing Cúil Gaels Seniors and their management well in the upcoming Senior B final against Doorabarefield.

Face Masks

As the current crisis continues to be part of our community and church life, new guidance is becoming available to us daily. It has now become the common practice in many Dioceses that there would be a strong encouragement for people who attend Mass or other Liturgies in churches to wear face masks. The wearing of masks has now become such a feature of all our lives in shops, post offices and every public place that people are becoming used to them. So we strongly recommend and encourage people to bring masks or face shields with them to church and to wear them. It is a protection for oneself and for those we meet.

Getting Back on Track Financially

Most of us have some level of debt, but when unpaid debt becomes such a burden that it prevents you from getting out of bed in the morning, brings a sense of dread when answering the phone or opening the post, it is time to take control of the situation.

The unfortunate reality is that due to the impact of COVID-19 many more people in Ireland may be struggling to pay their debts having recently lost their jobs or struggling to make ends meet on reduced incomes.

The effects of problem debt on a person's wellbeing and mental health can be severe and can prevent them coming forward for help but there is a solution to every debt problem and this is where the Insolvency Service of Ireland (ISI) can help. The ISI is the independent government body with four debt solutions to help people with all levels of problem debt - from credit cards to mortgages. It regulates debt advisors called Personal Insolvency Practitioners (PIPs). If you are insolvent and in arrears on your home mortgage you could also be eligible for a free consultation with a PIP under the State-funded Abhaile Scheme. The purpose of that Scheme is to help people in serious arrears to find the best available solutions, with the help of professional advisors. The priority will be to find a sustainable solution that keeps a person in their home, where possible. For more information visit www.backontrack.ie or freetext GETHELP to 50015 for a callback.
