### **A Summer Blessing**

*May you walk with God this summer, in whatever you do,  
wherever you go.  
Walking with God means...walking with honesty, and with  
courage and forgiveness.  
Walking with love and respect and concern for the feelings  
of others.  
May you talk to God this summer and every day and in  
every situation.  
Talking with God means...praying words of praise, for the  
beauty of creation  
Saying prayers of thanks for friends and good times.  
Asking God's help in all your decisions.  
Expressing sorrow when you have failed.  
May you talk with God Every day .  
Amen.*

## **Keeping Children Safe Online**

One of the impacts of Covid is a rise in the 'amount of screen' time. Finding ourselves spending more time looking 'down' than looking 'up'. This is especially worrying for children. ## **Prayer For Those Preparing For Exams**

Dear Lord, as I take this exam,

I thank you that my value is not based on my performance, but on your great love for me.

Come into my heart so that we can walk through this time together.

Help me, not only with this test, but the many tests of life that are sure to come my way.

As I take this exam, bring back to my mind everything I studied and be gracious with what I have overlooked.

Help me to remain focused and calm, confident in the facts and in my ability, and firm in the knowledge that no matter what happens today, you are there with me.

Amen.
