Who showed the love of Jesus in their lives from day to day.  
Remember those this special time, who live with God  
above,  
All Saints, All Souls, and all our own,  
Who live with God in love.  
Amen*

### **November Remembrance Of Our Dead:**

November is the month associated with praying for all our beloved dead. It is the time when we invite you to place the names of your loved ones on lists so that they can be included in the Masses during this special month. Envelopes for these lists of names can be picked up at the back of the church. All envelopes can be left in the baskets on the altar rails at Mass times in Knockerra Church & in the baskets at the front of the altar in Killimer Church.

Please remember to **sanitise your hands** on **the way in and out of the church.**

## **UN Climate Conference**

The 26th UN Climate Conference (or COP26 for short) begins today in Glasgow and will go on until Nov. 12<sup>th</sup>. We are already seeing signs of climate breakdown. Parts of the world are under threat because of rising sea levels due to global warming. Severe extreme weather events are causing devastation, destroying lives, homes, lands and livelihoods, especially in the poorest parts of the world which are most at risk. At COP21 in December 2015, the Paris Agreement was reached which committed countries to try to limit global warming to 1.5°C above pre-industrial levels and not to allow it to go above 2°C. Six years later, global temperature rises are on track to reach a catastrophic 3°C. Pope Francis, along with other religious leaders has called on those attending COP26 to renew their commitment to keep global temperatures below 1.5°C and to take action to make this possible. "We have inherited a garden: we must not leave a desert to our children," the statement says.

We are asked to pray for the success of COP26 during these days.

*Loving God,*

*We praise your name with all you have created.*

*You are present in the whole universe, and in the smallest of creatures.*

*We acknowledge the responsibilities you have placed upon us as stewards of your creation.*

*May the Holy Spirit inspire all political leaders at COP26 as they seek to embrace the changes needed to foster a more sustainable society.*

*Instil in them the courage and gentleness to implement fairer solutions for the poorest and most vulnerable and commit their nations to the care of Our Common Home.*

*We ask this through Our Lord Jesus Christ your Son. Amen*

## **Special Collection For Trócaire 6<sup>th</sup> / 7<sup>th</sup> November**

In the countries where Trócaire works, less than 5% of the population have been vaccinated for Covid and infection rates are up to 50%. An additional 200 million people have fallen into poverty globally as a result of the Covid crisis. Bishops highlighted that wealthier countries, while protecting their most vulnerable citizens, also have a moral responsibility to ensure that the populations of developing countries have equal, rapid and effective access to Covid vaccine coverage. Bishops are asking parishes throughout Ireland to undertake a special Church collection on 6<sup>th</sup> and 7<sup>th</sup> November to invite the public to support Trócaire in its work to alleviate this humanitarian crisis in East Africa.

## **Shoebox Appeal**

## **Visiting a Graveyard**

May perpetual light shine upon the faces of all who rest here.

May the lives they lived unfold further in spirit.

May all their past travail find ease in the kindness of clay.

May the remembering earth mind every memory they brought.

May the rains from the heavens fall gently upon them.

May the wildflowers and grasses whisper their wishes into light.

May we reverence the village of presence in the stillness of this silent field.

J O'Donohue.
