Catholic Schools Week:

Sunday, 23rd January, marks the
beginning of Catholic Schools Week
2022. The past year has once again been
a very challenging year for students and
indeed for the whole school community.

At present there seems to be light at the end of the
tunnel and we have a sense of hope. Catholic Schools
this year focuses on living our lives with the hope of a
brighter tomorrow and reconnecting with the wider
community as the country opens up and restrictions
are reduced. The theme for this year is "Catholic
Schools: Living Life to the Full." We take this
opportunity to thank all those who make our schools
such places of welcome and enable all to live life to
the full; to our principals, teachers and school staff, to
all our children, to those who give of their time in a
voluntary capacity on boards of managements of each
school & all who are connected with our school
communities.

Please remember to sanitise your hands on the way in and out of the church.

Covid 19: The advice remains to keep protective measures in place, those protocols etc we have in our churches will remain for now - wear face coverings, sanitise hands, socially distance. Thank you for your cooperation.

Prayer For Catholic Schools Week:

Loving God, as we gather today, we thank you for your presence with us.

Help our school communities enable each person to live life to the full and see themselves and others as made for loving and kind relationships with God, each other and the world around us.

May we become more and more like your son Jesus who, by his life and ministry, showed us how to treat one another, especially the poor.

May your Holy Spirit guide us as we journey together in faith, hope and love.

*We make this prayer through Christ our Lord.
Amen*
