Synod 2021 -2023

The Synod is a “Time to look others in the eye and listen to what they have to say, to build rapport, to be sensitive to the questions of our sisters and brothers, to let ourselves be enriched by the variety of charisms, vocations, and ministries.” Pope Francis.

The Synod is a journey towards allowing each one to express their experience, sentiments and thoughts. The voice of the Church is composed of many different voices and the Synod is a time of grace where the unified and coherent message is diversity and plurality. This is why we need your voice as well. This weekend a brochure is available at all porches in our Church outlining different aspects in relation to the Synod.

There is also a link to the Killaloe Diocesan Website where there is an online questionnaire. We ask you to take a few moments to reflect and share your views.

We need to hear your voice

We stand before You, Holy Spirit,
as we gather together in Your name.
With You alone to guide us,
make Yourself at home in our hearts;
Teach us the way we must go
and how we are to pursue it.

We are weak and sinful;
do not let us promote disorder.
Do not let ignorance lead us down the wrong path
nor partiality influence our actions.

Let us find in You our unity
so that we may journey together to eternal life
and not stray from the way of truth and what is right.

All this we ask of You,
who are at work in every place and time
in the communion of the Father and the Son,
forever and ever. Amen
