Structures Of The Killaloe Diocese In The Future

The Diocese of Killaloe is undertaking a series of conversations about the future. We are facing a different reality. Trends indicate that the numbers attending are fewer, the age profile of clergy and active laity is getting older, costs are increasing and contributions falling. We need to look at our structures and determine if they are still fit for purpose or if we can organise ourselves more effectively to have more viable communities and proclaim the gospel into the future. For more information, go to www.killaloe-diocese.ie/conversations-about-the-future-killaloe-diocese/

A meeting to discuss these proposals will take place for our pastoral area on Monday 27th March at 7.30 p.m. in the Community Centre, Kilrush. We extend a warm welcome and encourage you to come along and give your views on these proposals.
