A Summer Prayer

**May you breathe in the beauty of summer
its power of transformation.
May you seek and find spaces of repose
during these summer months...
May these moments refresh and restore
the tired places within you...
May you be open to times of celebration and
recreation that are so much a part of summer...
May your eyes see the wonders
of summer's colours...
May these colours delights you and entice you
into contemplation and joy...
May you feel energy of summer rains
penetrating thirsty gardens, golf courses, lawns
and farmlands...
May your inner self be refreshed,
restored and renewed...
May you enjoy the unexpected and find
surprises of beauty and happiness
as you travel the roads on summer holidays.**
