Franciscan Brothers

We extend a very warm welcome to Brother Brian Johnson OSF, The Monastery, Clara who will visit our parish next weekend 9th & 10th September & preach at both Masses. The Franciscan Brothers were founded in Galway in early 1800's to bring education to the rural parts of Ireland. They were noted in particular for their work with the poor especially during famine times. They established the first agricultural college in Ireland in Mountbellew, Co. Galway in 1904. They now have missions in rural Kenya & Uganda. They run an agricultural college in both countries. Education is the vital key to progress. During times of drought, famine and conflict they help where they can. The Brothers are especially involved in reconciliation, the distribution of food, water and medicine during difficult times. As you leave after Mass there will be a collection to support the work of the Franciscan Brothers. We encourage your generous support.
