Catholic Schools Week

Catholic Schools Week 2024 will be celebrated from Sunday 21st -27th January, on the theme of "Catholic Schools: Communities of Service". Catholic schools are animated by gospel values, which are lived through active ministry to one another built on a fundamental respect of all people, from all nations and embracing all differences. Every member of our school communities offers their service through the unique gifts and talents they have been given. The service of every single person, regardless of age or role, is of value and contributes to the characteristic spirit of each school within the parish.
