### **Laudato Si': Care For Our Common Home**

"The creation accounts in the book of Genesis contain, in their own symbolic and narrative language, profound teachings about human existence and its historical reality. They suggest that human life is grounded in three fundamental and closely intertwined relationships: with God, with our neighbour and with the earth itself." (Laudato Si', 66)

woman of love, completely at home  
with the word of God;  
we have experienced the gift of her goodness

Church policies have focused on establishing consistent standards to prevent abuse and assist the Church on its journey to learn from the mistakes of the past and ensure that children's safety is a core part of its mission.
