Laudato Si': Care For Our Common Home

"Fall in love with the Earth, this gift of pure abundance that God has freely given us. This disposition cannot be written off as "naive romanticism," Pope Francis writes, "for it affects the choices which determine our behaviour." If we lose our wonder and awe, our attitude toward the Earth will be that of "masters, consumers, ruthless exploiters, unable to set limits on [our] immediate needs." (Laudato Si', 11).
