Priest Collection

We take this opportunity to all who contributed to the Easter Priests Collection last weekend. As a parish community this is our way of contributing to the salary of our priest. The hope is that over the course of a year that we as a parish would collect enough to support the salary of our local clergy. In an effort to help us make this target, there are six priest collection each year. If you were away or did not have the opportunity to contribute to this collection, you can do so at any point by placing your priest collection envelope in the basket or by making a donation online. Thanks again for all your support.
