Survey for Columbarium Wall

The parish pastoral council, along with the
parish finance and the graveyard committees are
exploring whether there is sufficient interest in
installing columbarium walls in Burrane
Graveyard and Knockerra Graveyard.

A columbarium wall is a permanent,
freestanding structure. Each wall contains
recessed compartments called niches (instead of
a plot), designed to respectfully hold 2+
cremation urns. Many parishes install them to
provide families with a dignified, long-term
resting place for loved ones who choose
cremation and as an alternative to burial.

Survey can be accessed by below link or QR
code. It will be available on Facebook page and
social media as well as paper copies will be
available at the back of the churches from this
weekend.

Mission Sunday

This week, you are invited to partner with Catholic Mission
& the church in Malawi as we support families rebuilding
after devastating floods & help children access education
close to home. Through projects like St. Peter's Nyamikuta
Primary School, the church is creating a place where
children can learn, be nourished, and grow with dignity,
regardless of their background or beliefs. As we celebrate
100 years of World Mission Day, we are reminded by Pope
Leo XIV that we are 'One in Christ, United in Mission'.
Join with us in celebration & action by supporting this work
by using your Mission envelope.
