Survey for Columbarium Wall

The parish pastoral council, along with the parish finance and the graveyard committees are exploring whether there is sufficient interest in installing columbarium walls in Burrane Graveyard and Knockerra Graveyard. A columbarium wall is a permanent, freestanding structure. Each wall contains recessed compartments called niches (instead of a plot), designed to respectfully hold 2+ cremation urns. Many parishes install them to provide families with a dignified, long-term resting place for loved ones who choose cremation and as an alternative to burial. Survey can be accessed by below link or QR code. It will be available on Facebook page and social media as well as paper copies will be available at the back of the churches from this weekend.

A Litany of Remembrance

In the rising of the sun and in its going down. We remember them. In the blowing of the wind and in the chill of winter. We remember them. In the blueness of the sky and in the warmth of summer. We remember them. In the rustling of the leaves and in the beauty of autumn. We remember them. In the beginning of the year and when it ends. We remember them. When we are lost and sick at heart. We remember them. When we have joys, we yearn to share. We remember them. So long as we live, they too shall live. We will remember them.
