World Day Of Remembrance For Road Traffic Victims

The World Day of Remembrance for Road Traffic Victims is held every year on the third Sunday of November. Today Sunday 15th November is World Day of Remembrance. Almost 4,000 people are killed and many hundreds of thousands injured on roads throughout the world every day. Many more have to cope with bereavement or the effects of injury and thus become part of the huge group of people affected by road carnage. Today we pray for and remember all the people killed and seriously injured on our roads.

A Prayer For Safer Road

Almighty God,
you have put into our hearts that our human duty is to love you and our neighbour as yourself.
Give to us, and to all who use the roads, consideration and care for other road users.
Grant to those who drive vehicles consideration for others and a determination to avoid driving in ways which could be a danger to others.
Amen
